

BIO Blitz 201+ Day Camp

For 8-10 years old

When submitted electronically, enrollment space will be held for up to 1 week for payment arrival by mail. After 1 week, enrollment slot will be opened up, and space is not guaranteed.

Campers become Barrier Island Observers, and set out on an expedition across many of the diverse habitats of Dauphin Island, including the beach, salt marsh and maritime forest. Along the way, they will document their findings through various creative media. While exploring barrier island ecology, students should be prepared to get wet, sandy and muddy! Morning and afternoon snacks will be provided, but **please pack a lunch**. Refrigeration is available. Don't forget a swim suit, towel, sunscreen and a refillable water bottle!
